Please share your educational and career goals/aspirations and how you plan to move toward greatness:

I plan on becoming a MidWife and opening up my own private practice . The steps I've taken with becoming a CNA- (Certified Nursing Assistant) at the age of 17 to start to gain knowledge pertaining to the medical field. I worked for a year and a half. Now I have stopped working to focus full time on school. I am very goal driven so with my ambition and determination in the near future I will be attending FSU for nursing school.
